

Keratin Straightening Aftercare

Please follow these guidelines to ensure you receive the best results:

- Use Keratin friendly products which can be recommended your stylist.
- When you shower, use your absolute best shower cap! Avoid wetting your hair for at least 48 hours.
- If you work out and sweat, get to a dryer ASAP! Blow dry and flat iron with medium to low heat as soon as possible.
- No swimming, not even with a swim cap!
- No saunas, baths, hot tubs or steam showers.
- Do not get your hair coloured during the first 48 hours after your treatment.
- You can tie your hair up if needed, but please avoid if possible for the first 48 hours after your treatment.

This checklist is to ensure you get the most out of your service and to ensure you get the best results from your Keratin Treatment.
